

Cedar City, Utah
March 17, 1942

Minutes of the Meeting of the Water Users' Committee,
held in the City and County Building in Cedar City at
8:30 p.m.

Water users were represented as follows:

Gronway Parry for the South and West Field Irr. Co.
H. H. Lunt for the Cedar City Corporation
J. S. Woodberry for the Coal Creek Irr. Co.
Grant Hunter for the North Field Irr. Co.
Ray H. Lunt for the Old Fort and Old Field Irr. Co.
Will L. Jones for the Northwest Field Irr. Co.

Royce B. Nelson was made Chairman of the meeting, and
Ray H. Lunt Secretary. J. T. Leigh, Water Commissioner,
made his report for the distribution of the water of
Coal Creek for 1941. John Foster made a motion that the
secretary of each field place that field's portion of
the Commissioner's salary for the year 1942 in the hands
of the secretary of the committee by April 1. Motion
was seconded and carried unanimously.

John S. Woodberry made a motion that we recommend to the
State Engineer the appointment of J. T. Leigh as Water
Commissioner for Coal Creek for 1942, that the salary
of the Water Commissioner be \$50.00 a month from March 15
to Nov. 30, and \$25.00 a month for January, February,
March 1 to 15, and December, and that this salary be
paid directly by the water users. Motion was seconded
by Gronway Parry and carried unanimously.

The matter of diverting head waters from Coal Creek was
discussed, and Mr. Watson, State Engineer, referred the
water users to the decree as their guide in handling the
matter. J. S. Woodberry made a motion that the meeting
be adjourned. Motion was seconded by Gronway Parry.
